2 CHAIRMAN NICOLELLO: I call the Finance  
3 Committee to order. Would the Clerk please call  
4 the roll?

5 I will act as clerk and call the roll.

9 CLERK MULLER: Legislator DeRiggi-  
10 Whitton?

11 LEGISLATOR DeRIGGI-WHITTON: Here.

12 CLERK MULLER: Ranking Member Denenberg?

13 LEGISLATOR DENENBERG: Here.

14 CLERK MULLER: Legislator Venditto?

15 LEGISLATOR VENDITTO: Here.

16 CLERK MULLER: Legislator Walker?

17 LEGISLATOR WALKER: Here.

18 CLERK MULLER: Vice Chairman Muscarella?

19 LEGISLATOR MUSCARELLA: Here.

20 CLERK MULLER: Chairman Nicoletto?

21 CHAIRMAN NICOLELLO: Here.

22 CLERK MULLER: We have a quorum.

23 CHAIRMAN NICOLELLO: Thank you.

24 Item 3-2014 is a local law to establish a  
25 revolving fund for the Nassau County Emergency

2 Solutions Grant Program.

3 LEGISLATOR WALKER: So moved.

4 LEGISLATOR MUSCARELLA: Second.

5 CHAIRMAN NICOLELLO: Moved by Legislator  
6 Walker, seconded by Legislator Muscarella.

7 This went through the Health Committee a  
8 little while ago. Does anyone have any questions  
9 on this item?

10 (No verbal response.)

11 Any public comment?

12 (No verbal response.)

13 All those in favor signify by saying aye.

14 (Aye.)

15 Those opposed?

16 (No verbal response.)

17 The item carries unanimously.

18 Item 29-2014 is a resolution making  
19 certain determinations pursuant to the State  
20 Environmental Quality Review Act and authorizing  
21 the county executive, on behalf of the County of  
22 Nassau, to execute a lease between the County of  
23 Nassau, as tenant, and Steel-Los II Limited  
24 Partnership, as Landlord, in connection with  
25 certain premises located at street address 700

2 Hicksville Road.

3 LEGISLATOR WALKER: So moved.

4 LEGISLATOR MUSCARELLA: Second.

5 CHAIRMAN NICOLELLO: Moved by Legislator  
6 Walker, seconded by Legislator Muscarella.

7 This item went through committee just a  
8 few moments ago in Government Services. Do we  
9 have any questions on this item?

10 LEGISLATOR DENENBERG: I would just -- I  
11 did ask questions before but I have one more  
12 question on this.

13 CHAIRMAN NICOLELLO: Sure.

14 LEGISLATOR DENENBERG: Thank you, Mr.  
15 Delaney.

16 MR. DELANEY: Not a problem, Legislator  
17 Denenberg. How can I help you?

18 LEGISLATOR DENENBERG: I remember that  
19 this item was filed last year because the current  
20 lease was expiring, and I don't know what  
21 happened in the last year. Over the last year  
22 we've been a holdover because this new lease was  
23 being negotiated or because we were unhappy with  
24 the last lease? Did we know about this one over  
25 the last year? Why the last year being a

2 holdover?

3 MR. DELANEY: It just took several  
4 months to get everything straight away. I think  
5 part of it was Mike Kelly was taking the lead on  
6 this thing -- we started working on this about a  
7 year ago, at this point right now, because our  
8 current lease did expire in August. The landlord  
9 was very good to us. We've just been going  
10 month-to-month right now.

11 LEGISLATOR DENENBERG: And then the  
12 current lease is going to be five years, too?

13 MR. DELANEY: Correct.

14 LEGISLATOR DENENBERG: What's the  
15 renewal option on the current lease?

16 MR. DELANEY: The --

17 LEGISLATOR DENENBERG: I'm sorry. When  
18 I saw current, it's bad. The lease we are voting  
19 on is going to be a five year lease, correct?

20 MR. DELANEY: Correct.

21 LEGISLATOR DENENBERG: What, in the  
22 lease we're voting on, the 700 Hicksville Road  
23 lease, is the renewal term?

24 MR. DELANEY: There is a built-in cost  
25 of living into this. It will slowly bring up our

2 cost, but very slowly.

3 LEGISLATOR DENENBERG: Is it our option  
4 to renew for another five years? What happens  
5 after the five years?

6 MR. DELANEY: Again, it will be a  
7 negotiation at that point. The landlord --

8 LEGISLATOR DENENBERG: Oh. Okay. So  
9 there's no renewal option?

10 MR. DELANEY: Kevin left. I'm not sure  
11 if there is a renewal option at this point on it.

12 LEGISLATOR DENENBERG: I'm looking at  
13 it. I don't see a renewal option. I didn't ask  
14 in Government Services. So you think it's just  
15 five years then it expires?

16 MR. DELANEY: I think we have five years  
17 on it, and then it's going to be up to  
18 renegotiate it.

19 LEGISLATOR DENENBERG: Okay. I wish the  
20 renewal terms weren't vague. I just don't like  
21 the idea, when we're talking to OEM, to have to  
22 pick up and perhaps find new digs, if you will,  
23 five years from now.

24 MR. DELANEY: Understood.

25 LEGISLATOR DENENBERG: So that is one

concern I have.

Do you feel from this landlord and your negotiating with this landlord that we'd have, five years from now it should be -- I don't know how you could tell the future anyway, that's why you have a renewal clause in a lease.

MR. DELANEY: They're gentlemen, is the best way to describe them. They are men of their word.

LEGISLATOR DENENBERG: No other questions, Mr. Chair.

CHAIRMAN NICOLELLO: Okay. Any other questions?

(No verbal response.)

Any public comment?

(No verbal response.)

Thank you, Mr. Delaney.

All in favor signify by saying aye.

(Aye.)

Those opposed?

(No verbal response.)

This item carries unanimously.

Item 32-2014 is an ordinance providing for a capital expenditure to finance the payment

2 of certain judgments against the County of  
3 Nassau, authorizing \$291,527.96 of bonds of the  
4 County to finance said expenditure.

5 LEGISLATOR WALKER: So moved.

6 LEGISLATOR MUSCARELLA: Second.

7 CHAIRMAN NICOLELLO: Moved by Legislator  
8 Walker, seconded by Legislator Muscarella.

9 This is a judgment. We can or may not go  
10 into executive session, depending on the  
11 preference of committee members. Does anyone see  
12 a need for executive session on this item?

13 Any questions on this item?

14 (No verbal response.)

15 Any public comment?

16 (No verbal response.)

17 All in favor signify by saying aye.

18 (Aye.)

19 Those opposed?

20 (No verbal response.)

21 The item carries unanimously.

22 Items 33, 34, 36, and 37-2014 are all  
23 resolutions to authorize the transfer of  
24 appropriations heretofore made within the budget  
25 for the year 2013.

2 LEGISLATOR VENDITTO: So moved.

3 LEGISLATOR WALKER: Second.

4 CHAIRMAN NICOLELLO: Moved by Legislator  
5 Venditto, seconded by Legislator Walker.

6 Any questions on these items? Legislator  
7 DeRiggi-Whitton.

8 LEGISLATOR DeRIGGI-WHITTON: I've just  
9 noticed this a number of times, just that the  
10 transfers have already taken place before they've  
11 come to the Leg. I understand if it's an  
12 emergency situation, but it seems to happen  
13 almost every time.

14 Do you know that this already took place,  
15 this transfer?

16 MR. MAY: I believe there are four we're  
17 talking about. Which one are referring to?

18 LEGISLATOR DeRIGGI-WHITTON: 33-14, the  
19 \$325,000.

20 MR. MAY: 33-14 was a polled item.

21 LEGISLATOR DeRIGGI-WHITTON: How come I  
22 wasn't polled on that?

23 MR. MAY: How come you weren't polled on  
24 that one?

25 LEGISLATOR DeRIGGI-WHITTON: Yeah. I

never received a poll before or a questioning.

MR. MAY: Typically, for a polling letter, which only requires -- for a board transfer which only requires ten votes, it's done with the Majority. For an item that is a supplemental appropriation, which requires 13 votes, both caucuses are polled.

LEGISLATOR DeRIGGI-WHITTON: So when you do a transfer you just poll the Majority?

MR. MAY: That's correct. For a board transfer.

LEGISLATOR DeRIGGI-WHITTON: Not even just the Finance Committee members don't get polled on this side?

MR. MAY: It's just the Majority.

LEGISLATOR DeRIGGI-WHITTON: I would like to request that you poll us as well. I just think it would be, like, you know, the professional things to do.

MR. MAY: I don't know that it's not professional. I know that these have happened probably for the -- at least the last, I'm going to say, five years for sure, because I know that we've reviewed items from 2009 under the previous

1 administration and the previous Majority. I  
2 don't know that those pollings were done with the  
3 Minority.  
4

5 LEGISLATOR DeRIGGI-WHITTON: Probably  
6 not. But you know what?

7 MR. MAY: I don't really think that  
8 you're characterizing it as an unprofessional is  
9 appropriate.

10 LEGISLATOR DeRIGGI-WHITTON: I'm not  
11 saying it's not professional. We keep saying we  
12 want to have total, you know, be transparent in  
13 government. I would just appreciate, as a  
14 courtesy, as someone who is on the Finance  
15 Committee, that when you poll to transfer,  
16 especially a decent amount of money, it would  
17 just be courteous to poll all of us.

18 CHAIRMAN NICOLELLO: Before he responds.  
19 This has been going -- polling has been taking  
20 place for probably since the very beginning. But  
21 I think it would be good practice to let the  
22 Minority know, as least through their leadership,  
23 that a poll is taking place. I don't know -- it  
24 would be too much for you to have to reach out to  
25 each one of us. But you should let the

2 leadership know, of the Majority, that you're  
3 polling.

4 LEGISLATOR DENENBERG: To the Chair,  
5 just as ranking member. I think Legislator  
6 DeRiggi-Whitton wasn't talking about whether it's  
7 good, bad or indifferent. The point is that  
8 you're polling. When you need ten votes, you're  
9 polling the Majority to make sure you have the  
10 votes before you do the transfer. And what the  
11 request on the Minority is, we understand you  
12 don't need our votes to do the transfer, but we  
13 would like to at least be notified that the  
14 polling is done and the transfer is being made  
15 period. And that's our request.

16 MR. MAY: Well, as per the discussion  
17 that we've had today, that is fine.

18 LEGISLATOR DeRIGGI-WHITTON: Good. It's  
19 not that we're doubting what the history has  
20 been. But I think we're all in the same boat,  
21 that we want to improve things, especially on the  
22 financial end. I think it will be a good step  
23 forward.

24 MR. MAY: That's fine.

25 CHAIRMAN NICOLELLO: Sounds good.

2 LEGISLATOR DENENBERG: To the Chair. I  
3 do have a question on this, on Item 33-14.

4 The \$325,000 from public works control  
5 center 01 salaries to control center 02 to cover  
6 salary shortages in control center 02 for years  
7 2013, I'm reading that from, I guess, the backup  
8 or the resolution. What caused this shortage?

9 MR. MAY: I'd have to defer to Roseanne  
10 D'Alleva from the Office of Management and  
11 Budget.

12 MS. D'ALLEVA: Good afternoon.  
13 Basically, the shortage was derived from  
14 salaries, in terms of overtime, and less capital  
15 expenditures being journaled to capital, less  
16 salary expenditures being journaled to capital.

17 LEGISLATOR DENENBERG: I'm sorry. I  
18 guess I didn't -- can you explain that?

19 MS. D'ALLEVA: There is basically more  
20 overtime than we had the previous year. What  
21 we've noticed is, you know, unfortunately due to  
22 Sandy a lot of comp time was accrued during 2012.  
23 The first quarter of this year, in '13, let's  
24 say, people used that time.

25 LEGISLATOR DENENBERG: So other people

had to work overtime.

MS. D'ALLEVA: That's right.

LEGISLATOR DENENBERG: Okay. All right.

And then why was control center 01 short -- not short, long?

MS. D'ALLEVA: 02 --

LEGISLATOR DENENBERG: Because you were able to just take it from one salary to another, correct?

MS. D'ALLEVA: There are a couple of different factors going on. 02 has the snow budget in it and we had two storms already in '13, and those overtime slips, you know, there were a couple of days that went on the '14 check that basically caused a shortage in '13. There are a couple of different factors. There are vacancies in 01 --

LEGISLATOR DENENBERG: You're saying snow in '14 affected '13 or you're just saying snow in December '13?

MS. D'ALLEVA: No. The snow budget. What happens is the snow overtime that was done in November and December, because I believe we had two storms and those overtime slips caused,

it was one of the factors.

LEGISLATOR DENENBERG: All right.

CHAIRMAN NICOLELLO: Okay. Thank you,  
Ms. D'Alleva.

10 Items 62 and 63-2014: 62 is a resolution  
11 authorizing the county executive to execute a  
12 grant agreement between the County of Nassau,  
13 acting on behalf of the Department of Parks,  
14 Recreation and Museums and African American  
15 Genealogical Society; 63 is a resolution  
16 authorizing the county to implement a program of  
17 projects funded by the State Mass Transportation  
18 Capital Program and to advance such funds  
19 required to be advanced by the County and the  
20 State of New York to implement such program.

21 LEGISLATOR MUSCARELLA: So moved.

22 LEGISLATOR WALKER: Second.

23 CHAIRMAN NICOLELLO: Moved by Legislator  
24 Muscarella, seconded by Legislator Walker.

25 Any questions on these two items?

2 Legislator Denenberg.

3 LEGISLATOR DENENBERG: Thank you. Do  
4 you know the various projects that are going to  
5 be funded with, you know, this is several million  
6 dollars, upwards of \$4 million, on 63?

7 MR. MAY: On 63. We have Sharon Persaud  
8 from the Department of Public Works to answer  
9 questions on this item.

10 MS. PERSAUD: My name is Sharon Persaud.  
11 The program or projects with this funding is to  
12 purchase revenue equipment, such as CNG buses,  
13 hire transit buses to update the facilities at  
14 Mitchel Field and Rockville Centre, as well as  
15 some miscellaneous equipment and other shop  
16 equipment. And this is for the Nassau Inter-  
17 County Express.

18 LEGISLATOR DENENBERG: Will this allow  
19 any expansion of bus service for NICE?

20 MS. PERSAUD: No. This is strictly  
21 capital funded items.

22 LEGISLATOR DENENBERG: Is this pursuant  
23 to our agreement with NICE where we have to make  
24 this capital appropriation?

25 MS. PERSAUD: That is correct, sir.

2 LEGISLATOR DENENBERG: Were any vehicles  
3 taken out of service?

4 MS. PERSAUD: No. These are for  
5 replacement buses. We cannot take the vehicles  
6 out of service until we actually have  
7 replacements onsite. We need all the vehicles --

8 LEGISLATOR DENENBERG: So once we  
9 appropriate this money, we're going to purchase  
10 monies and then take the older ones out of  
11 service?

12 MS. PERSAUD: That is correct.

13 LEGISLATOR DENENBERG: Okay.

14 LEGISLATOR BIRNBAUM: I have a question.

15 CHAIRMAN NICOLELLO: Legislator  
16 Birnbaum.

17 LEGISLATOR BIRNBAUM: How many vehicles?  
18 How many buses are we talking about?

19 MS. PERSAUD: Right now, our capital  
20 program for replacement of CNG buses is about 43,  
21 for para-transit about 45.

22 LEGISLATOR BIRNBAUM: And what does this  
23 represent, in terms of the overall system?

24 MS. PERSAUD: Probably for the fixed  
25 route fleet maybe about 30 percent, and for the

2 para-transit fleet roughly half.

3 LEGISLATOR BIRNBAUM: Thank you.

4 CHAIRMAN NICOLELLO: Any other  
5 questions?

6 (No verbal response.)

7 Any public comment?

8 (No verbal response.)

9 All in favor signify by saying aye.

10 (Aye.)

11 Those opposed?

12 (No verbal response.)

13 Those items carry unanimously.

14 The last item is Item 65-2014, a  
15 resolution authorizing the county executive to  
16 execute an agreement between the County of  
17 Nassau, acting on behalf of the County Department  
18 of Public Works, and Glen Harbor Partners.

19 LEGISLATOR WALKER: So moved.

20 LEGISLATOR VENDITTO: Second.

21 CHAIRMAN NICOLELLO: Moved by Legislator  
22 Walker, seconded by Legislator Venditto.

23 Let the record reflect that Legislator  
24 Denenberg is recusing himself and not taking part  
25 in any debate or discussion on this item.

2 We have a motion by Legislator Walker,  
3 and a second by Legislator Venditto.

4 The item is before us.

5 This went before the Public Works  
6 Committee a little earlier. Let's incorporate  
7 the record from that committee into this  
8 committee.

9 (Whereupon, the following are the minutes  
10 of the February 10, 2014 Public Works Committee  
11 pertaining to Clerk Item 65-14.)

12 We have, I believe, one item. Item 65-  
13 14, a resolution authorizing the county executive  
14 to execute an agreement between the County of  
15 Nassau, acting on behalf of the Nassau County  
16 Department of Public Works and Glen Harbor  
17 Partners.

18 Motion --

19 LEGISLATOR DENENBERG: Before the motion  
20 is made, let the record reflect I am recusing  
21 myself from this matter. Thank you.

22 CHAIRMAN MUSCARELLA: Legislator  
23 Denenberg is recusing himself. He will not take  
24 part in any discussion or vote on this matter.

25 We have with us -- is that Brian

2 Schneider making his way forward?

3 MR. MAY: Yes, it is.

4 MR. SCHNEIDER: Good afternoon. Brian  
5 Schneider from Public Works.

6 This item is --

7 CHAIRMAN MUSCARELLA: Before we start, I  
8 believe Mr. Denenberg spoke and we did not have  
9 the motion.

10 Mr. Becker makes the motion, seconded by  
11 Ms. Schaefer. The item is now before us.

12 MR. SCHNEIDER: This item is to execute  
13 an agreement between the County, acting on behalf  
14 of the Department of Public Works, and Glen  
15 Harbor Partners to allow for the connection of  
16 this -- this subdivision of 60 residential units,  
17 with a projected wastewater flow of 19,000  
18 gallons per day, to connect to the Glen Cove  
19 Sewage Treatment Service District. The payment  
20 from the developer will be \$139,400, with an  
21 annual service charge, depending upon adjusted  
22 annual expenses and flows, of about \$22,500.

23 CHAIRMAN MUSCARELLA: Mr. Schneider, if  
24 I may. How do we determine that equalization  
25 charge?

2 MR. SCHNEIDER: That is a number that is  
3 developed by the Department of Public Works, both  
4 from the engineering department and also from the  
5 Health Department.

6 CHAIRMAN MUSCARELLA: But how is it  
7 computed? Is it by what the projected usage is?  
8 Is it by -- I know it's a past practice.

9 MR. SCHNEIDER: It's based on a charge  
10 per residential unit. It's a formula that is  
11 developed within the department based on the  
12 total number of units.

13 CHAIRMAN MUSCARELLA: But this is  
14 something that is routine --

15 MR. SCHNEIDER: Correct.

16 CHAIRMAN MUSCARELLA: in terms of --  
17 when a developer looks to hookup or have their --

18 MR. SCHNEIDER: Yes. Correct. It's  
19 based strictly on the number of units, and it's  
20 something that is typical, usual, and customary  
21 for the department to come up with that --

22 CHAIRMAN MUSCARELLA: And there's a  
23 standard formula that --

24 MR. SCHNEIDER: Correct.

25 CHAIRMAN MUSCARELLA: is devised in

order to do that.

Do we have any other questions?

(No verbal response.)

Hearing none. All those in favor of passing this item, 65-2014, signify by saying aye.

(Aye.)

Any opposed?

(No verbal response.)

That item carries.

(Whereupon, the following is the continuation of the minutes of the February 10, 2014 Finance Committee meeting.)

CHAIRMAN NICOLELLO: I see Mr. Zapson (phonetic) in the back of the room, if anyone has any questions.

(No verbal response.)

By the way, welcome back, Michael. Things haven't changed that much.

Any questions on this item?

LEGISLATOR DeRIGGI-WHITTON: Can I just make a comment?

CHAIRMAN NICOLELLO: Legislator DeRiggi-Whitton.

LEGISLATOR DeRIGGI-WHITTON: I think this would be a very beneficial project, especially for Sea Cliff, because the sewer pipe would run from Glenwood Landing, I guess it would be, all the way up past Sea Cliff, Main Street. I think it might enable Sea Cliff to eventually hook up to the Glen Cove sewage treatment plant as well, which only works on about a third of its capacity right now. So I'm happy.

This was on when I was a city councilwoman. Like six years ago we were trying to have this happen. I'm happy to see it moving forward.

CHAIRMAN NICOLELLO: Sounds good.

Any public comment?

(No verbal response.)

All in favor signify by saying aye.

(Aye.)

Those opposed?

(No verbal response.)

It carries unanimously by a vote of six to nothing.

Motion to adjourn?

LEGISLATOR MUSCARELLA: So moved.

2 CHAIRMAN NICOLELLO: Motion to adjourn  
3 by Legislator Muscarella. Second?

4 LEGISLATOR WALKER: Second.

5 CHAIRMAN NICOLELLO: Seconded by  
6 Legislator Walker.

7 All in favor of adjourning?

8 (Aye.)

9 Those opposed?

10 (No verbal response.)

11 Committee is adjourned.

12 (Whereupon, the Finance Committee  
13 adjourned at 4:19 p.m.)
